

# INTRODUCING ReelSm@rt™

## THE CLEVER REEL THAT WORKS!

ReelSm@rt™ is a sustainable solution that enables a quick and easy 1-person install of HFOC Universal Drops. Its clever design provides the means to deploy loose coils of HFOC Universal Drops while working around the typical challenges installers face in the field with lead in cables. ReelSm@rt™ will have a positive impact on your work as well as our planet by eliminating cardboard packaging.

Download the data sheet  
and work instruction for  
more information.
